BOARD OF EDUCATION

Mr. Earl F. Smith

The Columbus Grove Public School has grown decidedly and has attempted to improve from the standpoint of its efficiency as an educational institution. Until the year 1920 it was principally a village school. After the addition of a part of Mercer Township, Allen County, as well as about 8 9 of Pleasant Township, the district grew to its present size, 46 square miles.

In 1932 the first addition to the original building (1908) was built and the second addition is now in the process of construction.

There are over 550 pupils enrolled in the public school and they are taught by 21 teachers. In high school there are two sections of many classes and in the lower grades an additional teacher has been added and more will be needed as the attendance increases.

Our high school courses have been expanded. Pupils, by trying to do so, may secure four years' training in English, social science, commercial, vocational agriculture, vocational home economics and music.

There has been an honest endeavor to keep abreast of the times in methods as well as in content and physical equipment. Visual aids are recognized and used as valuable assets in teaching.

Extra-curricular activities are recognized as a definite part of the school program and well planned and carried on in the spare time work.

The public has admirably given their support to education and we feel they will continue to do so as changed conditions create new demands.

PROPHECY OF CLASS OF 1951

Crash—Bam! Alla Ka Zam!!! It's 1971! How the time flew! Why, it seems it was just yesterday I was trying so desperately to write the prophecy for the graduating class of C.G.H.S. of '51. Twenty years have passed by and it is quite evident what they have chosen for their careers.

Take for instance, Bill VanDemark, better known to the graduating class of '51 as "Albert Einstein," is now the general manager of the "Hadacol Laboratory." Bill also owns several hotels and a radio station.

Carrol Roberts has become president of the Duff Trucking Corporation. Carrol tells me that he began working with this company as a truck driver and gradually worked his way to success.

Since our class lived within a rural community you might expect a good per cent of the boys to be interested in farming. Our class, not to be outdone, shows its representation of farmers with Henry Selhort, Franklin Alt, and Hiram Bok.

Carol Sue Smith is now a renowned violinist at Carnegie Hall. She recently returned from a concert tour of Europe and is associated with NBC (National Biscuit Company).

I don't suppose any one of us who knew him will ever forget our one and only Jim Faze, who is now the Governor of Ohio. It's no wonder Jim is having such a successful career because he has as his secretary, Bonnie Watkins. I'll wager no other governor has had such good fortune.

Looking back I can remember there were some altar-bound seniors. Joanne Locker and Ed now have a lovely ranch-type house and twin girls. Gladys and Joe's lumber business must really be "in the chips" for they have one of the most beautiful homes in this vicinity.

You know, I don't think any class is quite complete without someone interested in establishing law and order. Jack Roberts, now marshal and night watchman of Columbus Grove, is the "Someone" in our class.

To serve his country was the main ambition of Gene Wood. From what I've heard, he's doing one grand job serving as an Admiral in the United States Navy.

Joanne Clevidence and Delores Altstaetter have discovered a new cure for cold sufferers. It's known as the "J. D. Cold Cure," named after Jo and Dee. This famous remedy has cured thousands of cold victims.

Our shy Martha Dackin has overcome her timidity by clerking in a Five and Ten Cent Store that handles everything from toothpicks to tractors. This may come as a shock to you but Bill Dunbar and Marvin Risser have assumed the responsibility of manager and co-manager of this store.

It's no wonder our children nowadays are practically "quiz kids" for just look whom we have to teach them

the fundamentals of education. Dorothy Lackey is now the Home Economics teacher at Ohio State University, while Doris McAdams is the commercial teacher at her old Alma Mater.

Headlines! "Kohls Locker Service" Of course, Bob Kohls helped put old C.G. on the map by continuing his father's business until now it is one of the most unique in this part of Ohio.

Following the profession of nursing that Florence Nightingale introduced, Jean Ann Benroth is now a doctor's receptionist while Shirley Studer joined the Cadet Nurses.

Why ride in an old automobile when you can travel T W A.? We wouldn't think of anyone owning it except John Reeder. Beverly Watkins is a stewardess on his planes and also his wife.

Attention Farmer! If you want to buy a tractor, drop in a Warren Dunlap's Farm Implement Store.

Last year at the Putnam County Fair I ran across Don Hoyt or rather he almost ran over me! Don owns the largest troupe of daredevils in the world.

Paul Irwin is now chief custodian and bus driver for the Columbus Grove High School.

Headline! "The Great White Horse Show," starring Glorianna! Our own "Susie" Rankin of '51! Her right-hand man is Dr. John Begg, Veterinarian, whose specialty is treating show horses.

Klinkey—klank—crash—crunch—uh-h-hill Well, that's that. Now I'll have to drop my old "tin lizzie" over to Bixel's Body Shop. As you know, Leighton can bring a car back to life with just a nut here, a bolt there, and a twist of the wrench.

Junior Shinaberry, the Agricultural Agent of Putnam County, just notified us that Columbus Grove is now the leading agricultural area in the State of Ohio.

Look! All these beautiful, beautiful women! Oh! Why, they are coming from Vernie Lou's Beauty Shop.

In the National TV Selling Contest, Junior Jones has just won fame for selling the most television sets.

Curtain time 8:00 P.M. The members of the orchestra are awaiting their "great leader," Robert Edwards. Encore, please!

Have you dropped into your neighborhood drug store lately? The next time you do, notice the huge neon sign outside bearing the name of "Dudley's Drugs."

If you have been wondering who is the "I" of this document, it is Marilyn Gerdeman, the "Morning Star" reporter. The editor thought it would be interesting to find out what the class of '51 is doing in the year 1971.

THE HISTORY OF THE CLASS OF 1951

Should you go first and I remain
To finish with the scroll,
No lengthening shadows shall creep in
To make this life seem droll.
We've known so much of happiness,
We've had our cup of joy,
And memory is one gift of God
The years cannot destroy.

We remember our very beginning as a class "way back" in 1939. How strange and terrifying was this new world which was opened to the "33" little tots.

These courageous little darlings were: Jean Benroth, Joanne Clevidence, Eloise Martz, Doris McAdams, Gladys Myers, Janet Seitz, Phyllis Settemire, Carol Sue Smith, Alice Ruth Tussing, Bonnie Watkins, Verna Lou Wood, Janet Lee Stover, Victor Alspaugh, John Begg, Lester Busick, Leighton Bixel, Jack Core, Billy Dunbar, Nolan Dunlap, Robert Edwards, Junior Jones, Duane Kohli, Marvin Risser, Carrol Roberts, Jack Sisson, Billy VanDemark, Bonnie Jean Fenstermaker, Ruth Alice McElderry, William Woodring, Robert Miller, Naomi Spallinger, Richard Roethlisberger and James Burman.

We acquired three new students: Colleen Sands, Glen Hayes, and Shirley Studer. Of these three the only one who continued with us the rest of our years was Shirley.

Moving on to the third grade we met Miss Wava Kurtz. She did her best to teach us a small part of the art of school. What a year of battles among the girls! Surviving, we continued to the fourth grade. Here we acquired Jack Dunbar, Marlin Betts, Paul Bailey, Paul Irwin, George Seely, Galen Stoodt, Roger McDowell, and Joan Johnson. Our teacher was Mrs. Helen Schaller.

We stumbled into the fifth grade and found Mrs. Emma Sarka to help us. We were happy to gain Junior Shina-berry, Beverly Watkins, Donavon Shook, Richard Rogers, Jack Stout, Gene Wood and Jack Parker. Nona Altstaetter and Patsy Joseph were also new, but they with Galen Stoodt and Roger McDowell moved at the end of the year.

On we go to the sixth grade. Our teacher was Mrs. Sheeley. My! Wasn't she nice! We had a Christmas banquet which we shall never forget. We were so good in basketball, we defeated the seventh grade. This year we lost from our class Tom Cartwright, Jack Stout, Jack Dunbar, Glen Dukes, Bonnie Fenstermaker, Jack Donaldson and Lloyd Dunlap and gained Janet Stover and Jack Roberts.

Just think, now we are marching upstairs with our

hopes high. Sticking together like a gang of prisoners we went through the first day. After the last bell had rung, we looked back and thought, "It wasn't so bad after all."

One morning we were told that one of our classmates, Janet Stover, had been killed by a milk truck the previous evening. We were greatly shocked by this news.

Our chapel, under the direction of Mrs. Wachtman, was called "The Snipe Hunt."

Our eighth grade year was very calm. We shall always remember our chapel program, "Why Teachers Go Nuts." The credit for its success was due to Mrs. Ridgeway.

Wow! Time surely does fly. Here we are Freshmen already. This year we acquired many new students: From Cairo—Delores Altstaetter, Dorothy Lackey, Jim Faze, Warren Dunlap, John Reeder, and Donald Wood; from St. Anthony—Mary Ann Kiene, Marilyn Gerdeman, Franklin Alt, Thomas Fuerst, Donald Hoyt, Robert Kohls, and Henry Selhorst; from Hammond, Indiana—Hiram Bok; from Wyandotte, Michigan—Gloria Rankin; and from Zanesville, Ohio—Robert Ogle.

Higher we go! As Sophomores we acquired Joanne Locker from Lima Central and Martha Dackin from Kalida. This year we lost Alice Tussing, Jack Parker, Marlin Betts, Bob Ogle, and Tom Fuerst. At last, we bought our class rings. They were chosen by a unanimous vote. Behold! We agreed.

Now we have reached our Junior year. For our class play we presented "Little Women" which was a huge success. It was directed by Mrs. Now and her assistant, Mrs. Link. Our Prom theme was "April Showers." What fun we had decorating with millions of flowers. This year Mary Ann Kiene withdrew from our ranks.

Finally we make it! Yes, we are now the mighty Seniors and busy as bees, selling candy, hotdogs, sandwiches, coffee and potato chips at the games and at noons. We even raffled off cakes at the basketball games. What a glorious time we had plowing our way through the crowds of people, trying to sell tickets for it.

Our senior play, "Little Men," was begun under the direction of Mrs. Now, but was produced under the direction of Miss Barbara Jones.

Jeepers! I almost forgot, how could we ever forget the magazine campaign? Fun! but oh, my poor feet!

In the years to come, the many happy hours we spent together as a class and the difficulties through which we struggled, will be remembered as the happiest and fullest days of our lives.

(1) To grow as a person.

(2) To grow in friendship with people of all races, regions, nationalities

The year of 1950 was recorded as a record year for the success attained by the FFA Chapter. For the entire chapter program of work and the working of the program, the State FFA awarded the chapter a Silver plaque. Only one fourth of the chapters in the state received this award.

Results of the Parliamentary contest found the chapter with a Gold award for the year. The award was made on the chapter's ability to conduct a business meeting.

State judging contest results found Columbus Grove well up toward the top. John Begg, Robert Edwards, James Faze were on the dairy team winning sixth place. The meats team came home with the seventh place ribbon. Boys

on the meats team were: Robert Kohls, Tom Knott, and Alvin Warnecke. Bill Bogart, Paul Irwin, and Paul Steckschulte were on the general livestock team which also made a good record.

Nineteen FFA boys exhibited at the County Fair. The winnings were numerous. The high light of the fair came with Columbus Grove winning five individual trophies.

Robert Edwards exhibited five hogs at the State Fair and won five ribbons.

The chapter also participated in the Putnam County FFA Pest Hunt. A basketball team was organized to compete with other chapters.

Membership for the year was 34 boys.

THE SPIANS

Since receiving its Charter, May 19, 1948, Troupe No. 895 of the National Thespian Dramatic Honor Society has become a vital functioning organization of Columbus Grove High School.

The National Thespian Society is an educational organization of teachers and students, established for the advancement of dramatic arts in secondary schools.

The aims of the society are twofold: (1) to establish and advance standards of excellence in all phases of dramatic arts, and (2) to create an active and intelligent interest in dramatic arts among our boys and girls in High School.

At the district festival held at Bowling Green in the spring of 1950, the contest play cast in "Winter Sunset" followed tradition of the past four years by winning the first place trophy.

This year our troupe presented four one-act plays: "The Bishop's Candlesticks," "Call It a Day," "Sunday's Child," "Nobody Sleeps," "The Bird's Christmas Carol," and a dramatization of "The Song of Christmas."

BULLDOG PRESS

Producing a monthly review of high school events, student opinions, editorial comments, interesting movie reviews, and forecasting coming high school events has been the aim of our high school newspaper, "The Bulldog Press."

The main objectives of "The Bulldog Press" staff this year were to cover the news accurately and adequately in an attempt to record the most important happenings of the year; to include such features to the paper that would add color, and serve as an outlet for student talent.

The staff gets its entire revenue from the sale of the "Bulldog Press," since there is no advertising section.

Mr. Donald Dickson was the staff advisor from the beginning of the school year until he left in December. His position was filled by Mrs. Ruth Steiner, who has assisted the editor, Carol Sue Smith, and other staff members in publishing monthly issues.

THE ANNUAL STAFF

Early in the fall of '50 the staff had its first meeting—plans for the Col-Gro were under way. Mr. Dickson, our advisor, had to leave us in November so Mrs. Now took over supervising us.

By Christmas the planning had been made and the composition began. The business staff made frantic appeals for ads—publishing does take money. The photographer struggled with the problem of getting students together for group pictures.

By March 7, the book had gone to the printers. Then the only job left was to sell them. We only hoped what we had done would be worthwhile.

Now through the industrious efforts of the Senior Class you have your '51 Col-Gro.

Columbus Grove—Kalida

This group was organized under the present leadership for the prime purpose of supplying half-time entertainment at the football games. Its secondary purpose, street marching, ranges from leading parades, etc., to contest maneuvers.

During the football season, the colorful red and grey uniforms blend with various types of musical selections and neat drill-work to provide an exciting six and one-half minutes at seven games. These shows range from salutes to visiting schools to picturizations of nursery rhymes. In the 1950 season, the highlight of the year was presented at the Grove-Shawnee game which took the form of a Cowboy and Indian battle. This show, drawn up

by Mr. Steiner (assisted by Kenneth Mornessey, formerly of the University of Dayton Band), pictured Indians streaming from a tepee to form a circle and perform a war dance. Having worked into a frenzy they picked up their weapons (band formed a tomahawk) only to find a platoon of cavalry (a small portion of the band) coming to quell the uprising. The surrender of the Indians blended into the smoking of the peace-pipe after which the letters of the respective schools were formed. The finale of spelling out (with the help of their caps) BULLDOGS, from 5 yard line to 5 yard line.

FOOTBALL

Second place trophy in Northwest Conference
League record: 6 wins, 1 loss.

J. Collins Stackhouse, Head Coach, Backfield and
End Coach

The football team of Columbus Grove has been one of the best teams to represent the High School in many years. The success of the team was largely due to the all 'round ability of its members and their desire to play good hard football.

The backbone of the squad was mostly seniors, who were soundly educated in the fundamentals of football by Coach Stackhouse.

This is Coach Stackhouse's fourth year as football coach at Grove. In the years that Mr. Stackhouse has been coaching here, our teams have shown great improvement.

With Coach Brauer taking charge of the linemen and Coach Stackhouse concentrating on the backs and ends, Grove fielded a team which worked as a smooth functioning unit.

FOOTBALL

Get set! Ready! Hike! . . . First string in action!

With the backfield showing clever ball handling and exploding through the line for large gains, Grove rolled over seven opponents by convincing scores. Five times the line stopped the opposition cold, holding them scoreless.

The team ended the season with a record of seven wins and two losses, a fine record for any team in any league.

The Grove team won the second place trophy in the Northwest Conference. This is the first such football trophy to be won by the school.

We, the Seniors, would like to show our gratitude toward our team mates and coaches, and tell them what a pleasure it was to play with them. We hope in the years to come they will be able to better this year's team and their record.

BASKETBALL

The 1951 Bulldogs had one of the most successful seasons of the school's history. They were the first team to advance to the District since the 1943-44 team. Among the honors achieved were the Co-Champion of the County League and second place in County tournament. The team consisted of four Seniors—Carrol Roberts 6' 2", Donavon Shook 5' 10", Gene Woods 5' 9", John Begg 5' 7"; five Juniors—Jim McBride 6' 3", Nolan Dunlap 6' 2", Merlin Sargent 5' 8", Dick Roethlisberger 5' 11", Jon Jones 6'; three Sophomores—Bill Bell 5' 10", Glen Kidd 5' 9", Dennis Magg 5' 9"; two managers—Junior Jones and Dick Rogers.

This article was ended on March 3 and so all that can be said to our team entering the District tournament at Defiance on March 6 is, good luck, boys!

This year's basketball squad was composed of one of the finest groups of boys with whom I've ever had the pleasure to work.

The aggressiveness, teamwork and all around ability of its members led to success.

I will always remember the friendly, cooperative attitude of the boys toward one another and me.

C. Stackhouse.

TRACK

The track squad of Columbus Grove High School enjoyed a short but successful season. Because of the short season and the rainy weather, only four meets were held. In addition two practice meets, one with Pandora and one with Ottawa Public and Spencerville, were held.

Two league meets were held, namely the Northwest Conference meet and the Putnam County meet.

In this participation, Shawnee won first place, Spencerville won second place and Columbus Grove ranked third.

Columbus Grove won a beautiful trophy for scoring second in the Putnam County meet.

Seniors lost by graduation, who will be missed, are as follows: Lowell Forbes, Jimmy Dale Fruchey, Cody Miller, Eugene Schumacker, Tom Gettman.

However the number of underclassmen not lost by graduation should form a good group for this season.

Grove started off their season of baseball on April 17th, 1950, by winning their opening game with Ft. Jennings, 15 to 3.

Playing the second game of the season, Grove lost to Miller City by a score of 3 to 1. Meyers, the Miller City pitcher, allowed only four hits which were collected by Miller, Basinger, and Sargent. Making up Miller City's battery were Meyers and Zigler. For Grove were Basinger and Wood.

Venturing on to Pandora for the third game of the season, Grove was again overriden. The Fleetwings took the edge 2 to 1 in five innings. Both teams were held to one hit.

Next on Grove's list was Blanchard who were downed on their own field—10 to 5. Grove got ten hits and Blanchard five, with Basinger pitching a good game all the way for Grove.

Journeying to Vaughnsville for their fifth game of the season, Grove lost the contest 12 to 9, making it their third loss in five games.

For the second time that season Pandora played Grove, but this time on Grove's own field. Grove won their third game 7 to 6. This ended the 1950 season with Grove hitting the .500 mark.

The coach for the season was Collins Stackhouse and the managers were Jerry Macke and Bill Link.

KENNY AND DENNY'S

To win...you have to be better!

Isn't it just that simple? Isn't that what makes successful teams . . . successful individuals . . . successful businesses?

And isn't that why American business, under our free competitive system, constantly gives you better and better products?

Take gasoline, for instance. If we make a good gasoline, we'll get our share of customers swinging into our stations. For a while.

But if our competitor across the street starts selling a better gasoline . . . more and more of our customers are going to start turning in there.

To get this business back, we have to find a way to produce a still better gasoline. As soon as we *do*, that puts the challenge right up to our competitor again.

That's competition. And that's what keeps America moving forward.

No one has ever thought of another way that works so well . . . for the benefit of all.
